5-84,Mahabubabad,Telangana

SKILLS

- **Languages Known:** C,Python,Java
- **Web:** HTML,CSS,Java Script

EDUCATION

Vaagdevi College of Engineering

Bachelor of Technology in Computer Science & Engineering | CGPA:8.02/10.00
2021-2025

T.S.Model Jr.College

Intermediate - MPC | Percentage : 82.6/100
2019 - 2021

T.S.Model School

SSC | CGPA - 9.20/10.00
2018 - 2019

CERTIFICATIONS

- PCAP - Programming Essentials in Python.
- AICTE edunet foundation.
- Cybersecurity Essentials
- CCNAv7:Switching,Routing,and Wireless Essentials
- CCNAv7:Introduction to Networks
- CCNAv7:Enterprise Networking,Security,and Automation
- CCNAv7:Introduction to Cybersecurity

OBJECTIVE

Seeking a challenging role as a Computer Science student,where I can apply my technical skills in programming,problem solving,and software development to contribute to innovative projects while continuously learning and growing in a dynamic team environment.

PROJECTS

Blood Bank System

PHP,HTML,AJAX,JQUERY,MySQL

- Created two module : Admin and Donor.
- Created user interface using AJAX and JQUERY.
- Handled the entire data using MySQL database.

Smart Irrigation System using Arduino UNO

Arduino UNO,Moisture sensor,Relay module,Water pump

- To save water and reduce human intervention in the agriculture field.
- Continuously monitoring the sensor and provide signal for taking right action.
- To get output of soil water sensor and provide water to crop.
- To observe other parameters for better yeild.

INTERNSHIPS

EY Global Delivery Services

Project Title :

Notes Sharing Web Application using Django Framework(FSWD)

- This project deals with the creation of a notes sharing web application.
- The main purpose of this application is to make the notes available to students.
- Teachers will access the application and students take notes when they require.
- Unlike the manual notes,this application available to students and doesn't require to write notes manually.
